Dear Women of God,

It is with great honor that I recommend Sister _____ for entry into the School of Missionary Licensing. I have had the extraordinary privilege of knowing this outstanding young woman for several years. I have observed her minister the Word of God with power and sound doctrine. She was often a _____ delegate from her local church and she was often on program to share inspirational messages. She has been a member of _____ for _____ years, where I serve as her pastor.

Now, Sister _____ faithfully attends Sunday School and has successfully participated as an Aspiring Missionary. Additionally, Sister _____ (list her accomplishments) sings in choir, part of the praise & worship team, the outreach team, food giveaway team and, _____. The Women's Department has called on her to minister the Word at various women's functions. She is committed to yielding herself as a living testimony as she ministers to individuals in and outside of church settings. I believe you will be more than delighted to have her as a candidate in the School of Missionary Licensing.
